If you enjoy this game you may want to join the Swords And Sandals/Gladiator Guild at the link below where you can easily win gladiator titles. \*\*\*\*THIS IS NOT A GAME HACK \*\*\*\* This is a guide for installing this add-on to Swords and Sandals 2. This game is a sequel to Swords and Sandals. If you have never played Swords and Sandals then read this and the link above so you can understand the process. 1. Download Swords and Sandals 2 2. In the Swords and Sandals 2 folder open the "[GameName].xzk" file. 3. In Notepad, right click on the first line and copy this line: [If you want to put it in right here] C:\Program Files (x86)\Steam\SteamApps\common\Swords and Sandals 2\[GameName].xzk 4. Open your Gaming Properties Folder. In the Properties folder of your main Swords and Sandals 2 game, open the Languages folder. Copy the steam lang file "[LanguageName].xzk" and paste it in "[YourGame].xzk". 5. In the Properties folder of your main Swords and Sandals 2 game, open the Graphics folder. Paste the lang file "[LanguageName].xzk". 6. Now, you will see a bunch of new files. Simply copy your lang folder (plus the files you downloaded in step 1) and place it in your main Swords and
